RE DOCKET

No. 93-325

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF SECRETARIAL SERVICES

RECEIVED  
B-4  
FEB 1 1994

ATT P.R.B. SECTION  
CHIEF RALPH HALLER AND MR. BARRY KRUGA. AS OF YOUR MEETING DEC 13, 1993  
ON VANITY CALLS. HOPEFULLY YOU ALL WILL  
KEEP EACH GROUP THE SAME CERTIFIED CALL  
FOR EXTRA ADVANCE FEES, AND TECH PLUS  
TECH NC + WOULD THAT 1X1 & 2X2 ~~be~~  
~~for~~ 1X2 FOR EXTRA & 2X2 FOR ADVANCE.  
ALSO ~~at~~ AT THIS TIME THE NEW  
COMPUTER COULD BE SET UP TO GENERATE  
CHARTS FOR NO CODE TECH PRIV. AS "NC"  
ON THEIR LIC + TECH PLUS AS "TP" ON  
THEIR LIC. WHEN UP GRADE TO GEN & ABOVE  
IT WOULD BE AT REC. LIC. ALSO HOPE YOU  
PEOPLE AT FCC WOULD LET THE ONES THAT  
WANT NEW VANITY CALL GO AHEAD AND APPLY  
FOR THEM SOON WITH THE NEW FEE. SO THE  
MONEY WILL BE IN THE GEN FEES WHICH  
AWAY. ALSO MR. HALLER & MR. GOLDWATER. I ~~believe~~  
THAT THE AMATEUR RADIO OPERATIONS WOULD ~~not~~ EXCEPT LIC  
FEE STANDARD FOR EVERY ONE AT \$40.00 FOR THE TERM  
OF LIC. SO THE MONEY COULD HELP WITH MORE  
HELP TO FCC FOR POLICE, WHICH THE  
ARE SHORT NOW

NO. OF COPIES MADE 0

LIS ABCDE

over

2

The Federal ~~Com~~ Com. charges A fee for  
park to be used which is also a hobby hobby  
for American people. Also the money  
for lic. could help the FCC to keep the  
Amateur Radio Clean AND NOT GET  
like the C-B Bands. hope you all  
at FCC would bring this up and consider  
it. when you are retired you would  
have a nice hobby.

Thanks 73's

Malcolm R Shepherd

P.S. would like to have

5 New form for vanity call  
AS SOON AS POSSIBLE for family  
priv. use

Thanks again
